SECTION D - DECLARATION

I/We the undersigned as owner(s)/occupier(s) of the above mentioned premises hereby apply to have a water service connection to the said premises subject to the provisions of the Water & Sewerage Act, Chapter 54:40 and agree that the Authority may provide the supply on my behalf at my/our expense.

I/We the undersigned, do hereby agree to pay the Authority all expenses to be reasonably incurred in executing the work referred to above together with such sums/arrears as may be payable by way of water rates in respect of the said premises and to conform with the rates and charges as may be prescribed by the Authority under and by virtue of the Water and Sewerage Act Chapter 54:40.

I/We the undersigned, agree that I/we shall not make any additional connections or alterations including installation of water pumps to that portion of the service connection on my/our premises without prior consent in writing from the Authority.

I/We understand that I/we are responsible for any statutory approvals which may be required for any building or construction on the premises and that satisfactory provisions have been made for drainage.

N.B. If pipes are to be routed through other properties or premises, please complete the Certificate of Way-leave Form. The connection fees and any other charges will be included on your first bill.

I/ We the Tenant/ Agent/ Owner do hereby certify that the above information is true and correct to the best of my/ our knowledge and ability and that I/ We shall be liable to whatever penalty is prescribed in the Water and Sewerage Act Chapter 54:40 for any false information/ declarations.
