

REQUEST FOR EXPRESSIONS OF INTEREST

The Water and Sewerage Authority invites Expressions of Interest from eligible bidders for the following:

EXPRESSION OF INTEREST (EOI) FOR THE IMPLEMENTATION OF SURVEILLANCE MONITORING SOLUTIONS AT MAJOR RESERVOIRS AND WATER PRODUCTION FACILITIES ACROSS TRINIDAD AND TOBAGO - WTC 56/2022

OVERVIEW

The Water and Sewerage Authority ("the Authority") is seeking to invite Expressions of Interest from suitably qualified firms interested in undertaking the following activities:

- Implementation of a perimeter surveillance and alarm system for the following sites:
 - Navet Reservoir
 - Hollis Reservoir
 - Arena Reservoir
 - Hillsborough Reservoir
 - North Oropouche Water Treatment Plant, and
 - Caroni Water Treatment Plant
- 24/7/365 remote monitoring and alert generation (in the event of incident) over a three (3) year period
- Provision of a maintenance schedule to preserve the optimal quality and useful life of the system (hardware, software and analytics) over a three (3) year period, and
- Provision of monthly assessments / reports on the functionality of the system, incidents and / or issues.
