

PLANNED EMERGENCY REPAIRS AT SAVONETTA BOOSTER STATION TO AFFECT COMMUNITIES IN LOWER SOUTHWEST TRINIDAD

Tuesday 24th February 2026: The Water and Sewerage Authority (the Authority) wishes to inform residents and businesses in the Lower Southwest Peninsula of an upcoming interruption to their water supply due to planned emergency electrical repairs at the Savonetta Booster Station.

These critical repairs are scheduled to commence on Saturday 28th February, 2026, and are expected to be completed on Monday 2nd March, 2026, by 6:00 p.m.

As a result of this shutdown, customers in several districts may experience low water pressure or no water service for the duration of the works. The areas affected are supplied via the New South Oropouche, Thick Village, and Point Fortin (Desal) boosters.

The complete list of affected areas is as follows:

Areas served via the New South Oropouche Booster:
