

## **WASA RESPONDS SWIFTLY TO RUPTURED TRANSMISSION MAIN IN THE VICINITY OF BEETHAM GARDENS**

**Thursday 7<sup>th</sup> May, 2026:** The Water and Sewerage Authority (WASA) was alerted today to a ruptured transmission main in the vicinity of Beetham Gardens. The incident occurred during a cleaning exercise being carried out by another agency.

Upon notification, WASA's emergency response teams were immediately deployed to the location. Dewatering operations have already commenced to allow for a full assessment of the damage and to determine the necessary repairs.

The Authority wishes to assure its valued customers that every effort is being made to minimize the impact of this disruption. WASA is focusing entirely on its response and restoration efforts.

Further updates will be provided as repair work progresses.

**-END-**

About WASA:

Governed by the Water and Sewerage Act Chapter 54:40, WASA is Trinidad and Tobago's national water utility, committed to providing safe, reliable, and equitable water and wastewater services while promoting conservation and sustainable resource use.
